Valnet is the largest independent Internet Service Provider in Southeast Kansas, offering a full range of Internet Access solutions. With DSL Broadband coverage in 38 states (wherever AT&T, Verizon, or Covad is available), Wireless Broadband in 17 different areas, and Satellite Valnet is the perfect choice for your broadband Internet access.

With DSL service starting at \$29.95 per month it's a great deal! There is no contract required to sign up with Valnet DSL service! For more information or to submit a DSL prequalification request check out our [DSL page](#).

Valnet Fixed Wireless broadband service is also a great deal, with one of the most competitive prices in the industry - starting at only \$39.95 per month for residential service. As with all of Valnet's great services, there is no contract required! For more information or to submit a site survey request check out our [wireless page](#).

Our Satellite high speed internet service provides an additional option for customers who don't qualify for DSL or Wireless service, providing speeds from 512kbps to 1500kbps. Our satellite service has several advantages over other satellite service providers, including no contract, lower latency and weather resilience. For more information see our [satellite service page](#).

Of course Valnet can also provide local dialup access in many locations. Valnet Internet+ Dial-Up service includes free access to the SlipStream Dial-Up Accelerator, providing a boost to dialup performance at no additional cost.

All Valnet services include great additional features, such as 100MB of personal web space, 10 email addresses with Anti-Spam and Anti-Virus technology at no extra charge, as well as personal service and support from our LOCAL technical support staff in Independence, Ks.
