Valnet

With over 9,000 unique numbers in our phone book, and 12,000 total - including access numbers in Mexico, Canada, and Puerto Rico - Valnet offers nationwide access with a number virtually everywhere!

Valnet Internet+ Dial-Up service includes many great features that you've come to expect from a quality dialup access provider, including free access to our SlipStream Accelerator.

All email accounts also include server-side protection by Cloudmark anti-spam software - the same best of breed antispyware software used by HP, IBM, Paypal, and Sun among other major names. Anti-Virus protection is provided by the incredibly popular Clam Antivirus engine, one of the most widely used and most quickly updated anti-virus engines available.
